Program Statement

OPI: CPD/CPB
NUMBER: P5380.08
DATE: 8/15/2005 "FRP"
SUBJECT: Financial Responsibility Program, Inmate

FCI FORT DIX
LAW LIBRARY

RULES EFFECTIVE: 1/27/2000.

1. [PURPOSE AND SCOPE §545.10. The Bureau of Prisons encourages each sentenced inmate to meet his or her legitimate financial obligations. As part of the initial classification process, staff will assist the inmate in developing a financial plan for meeting those obligations, and at subsequent program reviews, staff shall consider the inmate's efforts to fulfill those obligations as indicative of that individual's acceptance and demonstrated level of responsibility. The provisions of this rule apply to all inmates in federal facilities, except: Study and observation cases, pretrial detainees, and inmates in holdover status pending designation.]

BOP STAFF VIOLATE ALL BELOW LISTED FEDERAL LAW

The Victim and Witness Protection Act of 1982, the Victims of Crime Act of 1984, the Comprehensive Crime Control Act of 1984, and the Federal Debt Collection Procedures Act of 1990 require a diligent effort on the part of all law enforcement agencies to collect court-ordered financial obligations.

2. SUMMARY OF CHANGES. Significant changes in this revision include:

- Provides instruction for documenting an inmate's Inmate Financial Responsibility Program (IFRP) participation and progress at times other than regularly scheduled Program Reviews;
- Implements quality reviews by region and institution staff; and
- Replaces the word "contract" with financial plan.
